The background of the slide is a collage of educational and technological items. At the top is a solid purple rectangular bar. Below it, a world map is visible, with a laptop keyboard and a spiral-bound notebook partially shown. The text is overlaid on a semi-transparent white rectangular area.

Through the efforts of students and their leaders, the scientific circle “Diplomatic Club” was formed and actively operates. It brings together students to solve various research problems. The results of this activity are presented in scientific collections of student conferences, in republican competitions of student scientific works. The department annually hosts international scientific conferences. Both university students and students from other cities and CIS countries take part in it. Students and undergraduates of the faculty regularly participate in annual traditional scientific weeks and republican subject Olympiads. Over the past 3 years, students of the department have consistently been among the top three leaders in Olympiads and scientific projects in their specialties. In the 2023-2024 academic year, 17 students of the department are studying on the basis of a state educational grant of the Republic of Kazakhstan. Over the past three years, 15 students of the department received a presidential scholarship for excellent studies and activity in social work, more than 100 students became owners of tuition benefits from the Rector of SKU named after. M. Auezov.

As part of international cooperation, the department works closely with foreign universities, and international academic mobility is well established. One teacher of the department completed a scientific internship under the Bolashak program. Mamasharipova G.A. studied at George Washington University in 2015 (Washington, USA), at Dalian University of Foreign Studies (Dalian, China) in 2017. Turymshaeva A.T. at the University of Deusto (Bilbao, Spain), at the University of Minnesota (Minnesota, USA) in 2021, Amirbek A.A. at the EGE University (Izmir, Turkey), at the University of Sivas Cumhuriyet (Sivas, Turkey) Ph.D., Associate Professor Kупenova G.Y. The scholarship holder of the international program of the President of the Republic of Kazakhstan “Bolashak”, Izbasarova Gulbanu Bolatovna, was trained at the dissertation council of Moscow State University.
